PIB - Launch of new Baby Anne (P-17-9295)

Launch of new Baby Anne due to production transfer from Suzhou to Monterrey

This Product Information Bulletin announces that the manufacturing of Baby Anne has been transferred from Suzhou, China to Monterrey, Mexico. Baby Anne from M Distribution Centers 26.09.2017.

Why

The manufacturing of Baby Anne has been transferred to Monterrey to better utilize our in-house capacity. This has also allowed us to implement a couple of improve

How and What

Baby Anne

The new Baby Anne is similar to the current Baby Anne except for the following:

- Improved airway management
 - Airway is open only in neutral/ "sniffing" position (closes during flexion and extension of the neck)
- Modernized clothing
- Improved language neutral User Guide

Accessories, Consumables, and Spare Parts

The following spare parts will be replaced:

Spare parts and consumables
